DETAILED ACTION

This is in response to amendment filed 05/15/06.

Allowable Subject Matter

Claims 1, 3-15, 17-24 and 28 are allowable.

The following is a statement of reasons for the indication of allowable subject matter: the prior arts failed to suggest/discloses: the method for transforming A method for transforming a general on-line analytic processing dimension into an at least partly aggregation normalized dimension by means of a computer, the dimension having dimension values organized into categories of dimension values based o a partial ordering, the dimension comprising mappings of links between dimension value , the method comprising the steps of executing a covering procedure, executing a make-strict procedure, executing make-onto procedure and make-covering procedure as recited in claims 1, 3, 4, 15, 17.

The following is a statement of reasons for the indication of allowable subject matter: the prior arts failed to suggest/discloses: a computer system for on-line analytical processing having data storage means associated therewith on which a multidimensional object is stored, the multidimensional object, wherein multidimensional object is stored within the data storage means of computer system in tables organized as a combination of star schemas for the part of the multidimensional object containing only strict mappings, and additional tables containing the non-strict part of the mappings as recited in claim 23.

As per claims 5-14, 18-22, 24 and 28, these claims are depended on claims 1, 3, 4, 15, 17 and 23 respectively. It is therefore objectable as set forth above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
